Message from Corporate Chair

2009 Walk To Cure Diabetes
Ward Klein, CEO, Energizer Holdings, Inc

Tick-Tock...Time Is Running Out !!

We're at the finish line. Week 8. The focus is on last minute fundraising. Just a few days to the annual JDRF Walk To Cure Diabetes.

Congratulations to everyone for ALL the hard work you've done to form teams, motivate Walkers and raise funds to find a cure for type 1 diabetes. Working together, we will blow away our Walk goal of \$1.5 Million.

Here's a great last minute strategy to up your Walk total: Ask each of your Walkers to make a few more calls, personal visits and/or send a few more e-mails – just raise \$25 before Walk day.

If you've asked someone for support and have not heard back – contact them again and just tell them how close you are to your goal and their support would mean so much. **It's NEVER too late to ask for or receive a donation!**

For even more last minute fundraising tips visit <http://www.jdrf.org>.

Also, to help you through these last critical days, I've enclosed a Walk day information memo. Please review it carefully and share it with all your team Walkers.

Team Energizer and I look forward to seeing you – and celebrating our fundraising success – at a sunny and sensational Walk To Cure Diabetes – Sunday, October 4th in Forest Park.

HealthLink Walks to Cure Diabetes

by Susan French, Manager
Marketing Communications

HealthLink's heritage of caring and its commitment to social responsibility are important parts of the company's corporate culture. For the past three years, HealthLink associates have demonstrated generosity and service in their support of the Juvenile Diabetes Research Foundation.

This year, HealthLink has committed to setting a new goal for participation and fundraising – more than 160 walkers and more than \$5,000 in donations!

In addition to the Walk and online fundraising, HealthLink activities include:

- A HealthLink-designed Walk tee-shirt
- JDRF Sneaker sales for Team Contest
- Max-Life bracelets
- DVD/CD/VHS/Book Sales
- Mystery raffle
- Penny Wars
- Silent Auction

Everyone is invited to visit the HealthLink booth on Walk day. We'll have fun (and healthy) giveaways.

When it comes to community spirit and JDRF, HealthLink associates don't just "talk the talk," we "Walk the Walk."

Kure Crusaders

In 1991, two months before I turned 11, I was diagnosed with type 1 diabetes. I've been diabetic for over 18 years now, and for 17 of those years I've had someone who has related to my experience. My brother, Kevin Wells, was diagnosed in 1992. One year later, we both attended Camp Hickory Hill in Columbia, Mo. We went to the camp for five years, eventually working as camp counselors.

Our family has always been very supportive and encouraging of our fundraisers. When we were younger, we did Bike-A-Thons for JDRF, and last year was my first year at the Walk to Cure Diabetes. On October 17, we are having our first annual Crazy Bowl fundraiser for JDRF at Crest Bowl in Florissant, Mo. It will be \$15 per bowler and all proceeds will go directly to JDRF.

My brother and I have maintained our health and have not had any complications from diabetes. We hope that continues until a cure is found, and we hope you will show your support for JDRF by being at the Walk on October 4!

-Kelly Davis (with Jessica Wells)

Kelly, (third from left), and her family showed their support for JDRF at the Mobil On the Run fundraiser on May 17, 2009.
